Personal Revival of the Soul

Preacher: Pastor Gerard Hemmings (Twickenham)

We live in a day of much discouragement and small things. The moral and spiritual decline in our society is very marked. Many fellowships are small and struggling. There can be a temptation amongst God's people to a despondency and an "Elijah" outlook.

Even in such circumstances, how can we, both personally and corporately, as churches, know and keep that joy of walking with the Lord and delighting in Him? What help and encouragements are there for us?

3pm: Beneath the cross of Jesus

6pm: Bright hope for tomorrow

Gerard Hemmings has been pastor at Amyand Park Chapel, Twickenham, for 32 years. He has spoken at several Reformed Conferences both here and abroad.

Tea provided between meetings: A very warm invitation is extended to all
