

Spring Road Evangelical Church Houseparty Cloverley Hall, Shropshire, 17th-22nd August, 2019

Dear Friend

This summer's Houseparty will be at Cloverley Hall, Whitchurch, Shropshire. The Houseparty is a time where believers, and friends interested in Christian things, can share in a time of a relaxation and spiritual blessing. Each day starts with a meeting for ministry from the word of God.

***This year's speaker: Pastor Chris Hand from Crich, Derbyshire
Subject: 'Following in Our Master's Footsteps'
Five Episodes from the Life of Christ***

We also have informal times of prayer and testimony in the evening, after which, and on other occasions, people especially enjoy social times. During the week we organise some team challenges for those who enjoy competitive team games. Some are played from an armchair, whilst others involve more activity. It's low-key, but fun all the same.

Cloverley is within easy reach of many varied and interesting attractions found in Shropshire and East Wales. It gives plenty of scope for our 'group outings', but also there's lots to see for those who want to explore by themselves.

The Houseparty is suitable for young people, families and older ones too. We are especially glad to have a mix of people of all ages. Many people come from our own church, but we greatly appreciate the fellowship of friends from other like-minded reformed churches, many of whom return year after year.

Situated in a stunning part of Shropshire, Cloverley offers excellent facilities with a good standard of rooms, modern lounges, conference and dining facilities, a games room and beautiful spacious grounds.

Please consider if you would like to come to this year's Houseparty. A booking form is enclosed - and more are available on request. In the mean-time, please email Roger Lye on (roger.lye@virginmedia.com) if you would like more details or ring me on 02380 432850.

With Warm Christian Greetings

Mark Stocker Pastor
