

Spring Road Evangelical Church Houseparty: Heatree House, South Devon : August 18-24, 2012

Dear Friend

This summer's Houseparty will be at Heatree House, South Devon. The Houseparty is a time where believers, and friends interested in Christian things, can share in a time of a relaxation and spiritual blessing. Each day starts with a meeting for ministry from the word of God. This year we are pleased to have *Pastor David Kay* from Barnstaple as our speaker, taking the subject of "Complete in Christ: the Challenge and Comfort of Colossians."

We also have an informal time of prayer and testimony in the evening, after which people especially enjoy social times, where they can meet together and enjoy a cup of tea or coffee. During the week we organise some team challenges for those who enjoy competitive team games. Some are played from an armchair, whilst others involve more activity. It's low-key, but fun all the same.

Situated in a stunning part of Dartmoor, Heatree offers excellent facilities with en suite rooms, modern lounges, conference and dining facilities, games rooms and sports-hall and beautiful spacious grounds.

Heatree is within easy reach of South Devon beaches and many other attractions found along the 'Devon Riviera'. It gives plenty of scope for our 'group outings', but also there's lots to see for those who want to explore by themselves.

The Houseparty is suitable for young people, families and older ones too. We are especially glad to have a mix of people of all ages. Many people come from our own church, but we greatly appreciate the fellowship of friends from other like-minded reformed churches, many of whom return year after year.

Heatree offers a wide range of activities such as canoeing, archery, high-ropes, etc. Some cost an extra fee of approx £10-15pp (depending on nos).

Please consider if you would like to come to this year's Houseparty. A booking form is enclosed - and more are available on request. In the meantime, please telephone me (see over) if you would like some more details.

With Warm Christian Greetings

Mark Stocker
